Fabrics  
Case Number: 07 CIV 7958

Dear Honorable Sir:

My office represents defendant Joseph Heaven in the above-referenced matter.

I have been in contact with Pierre G. Armand, Assistant United States Attorney, wherein we have discussed the possibility of settling this matter. Mr. Armand has consented to my request to seek an adjournment of the conference scheduled for November 15, 2007 and to extend my time to file an answer if necessary.

Accordingly, this letter shall serve as my request to adjourn Joseph Heaven's time to answer until December 18, 2007 and to adjourn the scheduling conference until December 20, 2007.

Thank you for your assistance.

Very truly yours,

Eric M. Jaffe
